Subject: Impact Assessment and Suggestions Regarding the Recent Tariff Imposed by United States of America.

Dear Sir,

1. In view of the recent imposition of tariff by United States of America, certain sectors engaged in export activities may be facing challenges.
2. In this context, your Association is requested to provide information regarding:
 - (a) The extent and nature of impact due to the aforesaid tariff measures including, but not limited to, reduction in business volume, employment implications, and short term and long-term affect;
 - (b) The potential remedial measures, financial or otherwise, to mitigate these challenges.

Kindly provide the requisite information in the format annexed by 06th September 2025 positively, via email at [info@doiuk.org].

Yours Sincerely,

(Shikhar Saxena)

Additional Director
